SPECIFIC

KAUBER, TUREUL, and LONGIN files

Reference: WELA STOS, LOND 8501 (IN 34488)

We appreciate your prompt transmission of the KAUBER file. However, we suggest that you hold the TUREUL and LONGIN files pending further notice. STC/SIB is in the process of comparing the available documents with the check list included in WELA 8419 and upon completion of this project will be able to provide us with a list of specific documents necessary to complete their TUREUL and LONGIN files. In this way unnecessary duplications in headquarters files will be avoided.
